VOTER’S GUIDE
Your place for the election information | www.skiff.tcu.edu

In an effort to help the student body make an informed decision about the Student Government Association elections today, the Skiff is featuring the top 10 candidates running for the first offices. The Skiff has created the Candidates’ Three Questions. The candidates were given five-word limit for each response, and their responses are running here, unedited. The Skiff encourages students to closely examine what the candidates have to say and vote online at www.vote.tcu.edu.
